TERMS

- **Moderator**
Person responsible for all your groups (pastor, coordinator, etc.) and labeled as Administrator

- **Learner**
Your Group leaders

- **Teach Mode**
In Teach mode, the administrator sees extra information which will display exactly where leaders are and how they are progressing. This view includes special tools to help you increase leader progress. Your progress is not tracked when you move around in Teach mode.

- **Learn Mode**
In Learn mode, the administrator sees exactly what other leaders see. Here, you experience the Content as a leader. This provides a helpful lens for understanding any questions or concerns that come up and allows you to progress through the resource along with your leaders and track your own progress.
